

REMARKS

The Legal Instruments Examiner indicated that claims 6, 10-14, 16, and 17 should indicated that they are "original." This change has been made above. The Examiner also
5 indicated that claims 20-24 should include full text in that they were previously withdrawn. However, the applicant now desires that the withdrawn claims be canceled such that this application is now in condition for allowance. Therefore, claims 20-24 have been notated as "canceled" in the listing of claims above. As these amendments should now place this application in condition for allowance, entry thereof is respectfully requested.

10 If the examiner has any suggestions that would place this application in even better condition for allowance, he is invited to contact the applicant's representative at the telephone number listed below.

Respectfully Submitted,

Dale J. Ream
